

2020 Miss Fulton County/Miss Montgomery Princess Application & Contract

Introduction

The Princess Program is a non-competitive, mentorship program for young girls. The goals of the Program are to develop the Princess' self-esteem, encourage her interest in community service, and provide mentorship from the Teen and Miss titleholders. Princesses will make local appearances and participate in the Miss New York's Princess Program, which will require an additional registration fee and travel to the Miss New York Competition.

Our Princess Program is a rewarding experience. **Families, however, must be aware that the Princess Program is a year-long commitment and participation in the state program, which is required, is expensive.**

2020 Miss Fulton County/Miss Montgomery Princess Application & Contract

Titling Rules & Selection Process

Available Titles:

We will select one Princess for each titleholder crowned at our Miss Fulton County and Miss Montgomery County Competition on Sunday, January 19, 2020. We plan on crowning two titleholders (Miss Fulton County and Miss Montgomery County) and selecting two Princesses (Miss Fulton County's Princess and Miss Montgomery County's Princess). If we are unable to crown two Miss titleholders for any reason, only one Princess will be crowned Miss Fulton County's Princess. The Organization will announce the number of Princesses to be crowned once the Princess Candidate Applications have been collected, but this will be subject to change until the completion of the Miss Competition.

Assignment of Titles:

Both the Fulton and Montgomery County titles are open to girls who live or attend school in either county. If two Princess titles are awarded, the assignment of the titles between the selected Princesses is at the Organization's discretion. The Organization will attempt to match the Princess with the county she lives or attends school in, but this may not always be possible.

Selection Process:

Princesses will be selected by a raffle (the Selection Raffle). The Selection Raffle is scheduled to take place during the Miss-titleholder meeting, which will be held either the evening of Sunday, January 19, 2020, or the following day. The precise date and time will be emailed to all participants before the Miss competition. This event will not be open to the Princess Candidates, their Guardians, or the public. The Selection Raffle will be broadcast live on the Organization's Facebook page.

The Selection Raffle will be conducted as follows:

1. Each Princess Candidate will write her name, where indicated, on the bottom portion of this Agreement and will check the box(es) indicating what county she lives or attends school in.
2. Prior to the Selection Raffle, the slip will be detached from the Agreement.
3. At the start of the Selection Raffle, each name will be read aloud from the slip and the slip will be folded and placed in a bowl or other vessel.
4. Once all of the slips are placed in the vessel, each Miss titleholders will select a name from the bowl and read the name aloud.
5. The Organization will then decide which selected Princess Candidate will represent which county and the selected titles will be announced.
6. The results will be posted on the Organization's Facebook page, and the selected Princesses will be contacted by email or telephone.

The Organization reserves the right to modify the terms of the Selection Raffle if it deems the modification necessary. If the Organization decides to change the date of the Selection Raffle, all Guardians will be contacted via email. The Organization will make every attempt to broadcast

2020 Miss Fulton County/Miss Montgomery Princess Application & Contract

the Selection Raffle on Facebook live, however, if a live broadcast is not possible, a video recording of the Selection Raffle will be provided to every Guardian via email.

Return of the Deposit:

After the Princesses are selected, the Deposit will convert to a non-refundable Application Fee. If your child is not selected, the Deposit will be mailed back to you within 48 hours of the Selection Raffle to the address listed above.

Year of Service

Once selected to serve a Princess, the Princess Candidate will be a Titleholder in this Organization. The Titleholder's Year of Service begins when after the conclusion of the Selection Raffle and continues until the 2020 Miss Fulton County & Miss Montgomery County Competition.

Appearances:

As a Titleholder, she will be expected to participate in various appearances in the local area. An appearance is meant as **any** event where a Titleholder wears her sash or crown publicly or shares a photo or video on social media.

There are certain appearances the Princess is required to make, they are as follows:

- Princess Crowning, during the Miss Fulton County and Miss Montgomery County Outstanding Teen Competition; Friday, February 7, 2020, in Gloversville.
- The 2020 Miss New York Competition, May 28–30, 2010 in Peekskill, NY and all required appearances of the Miss Empire Stars program (see below)
- The 2021 Miss Fulton County & Miss Montgomery County Competition, TBD
- A group photoshoot by Viscosi Photography for all of the Organizations 2020 Titleholders, TBD

The Organization will clear all other appearances it organizes or coordinates with the Guardian ahead of time. The Organization will attempt to notify the Guardian of the opportunity at least 72 hours before the appearance. Once the Guardian has committed to attending an appearance, the Princess will be expected to attend.

You may wish to seek appearances you desire. In most cases, we will be happy to allow or facilitate these. However, we must have at least 72-hours-notice of any appearance you wish to attend, and we have the right to approve or disapprove of any request for any reason.

It is our preference that all appearances by a Princess include a Miss or Teen titleholder, but we may allow appearances with the Princess or Princesses alone. Further, we generally expect that if you plan an appearance yourself, you extended an invitation to the other Titleholders.

Use of Title:

Neither the Princess nor her Guardian may use or authorize anyone else to use the words "Miss Fulton County's Princess" or "Miss Montgomery County's Princess," or similar phrase or to refer to our pageant or competition, in association with the Princess' name or likeness in any way without prior written approval from the Organization. This restriction does not end after the Titleholder's year ends, it extends in perpetuity.

2020 Miss Fulton County/Miss Montgomery Princess Application & Contract

The Organization will allow the Princess, her Guardian, and her friends and family to post on social media regarding the Princess' selection and her participation in events or appearances sanctioned by the Organization.

The Organization has the right to use the Princess' name and likeness for promotional uses or any other use, in perpetuity.

Fundraising

The Princess may be asked to participate or make appearances at fundraisers in the community. These will be treated like any other appearance and must be cleared by the Organization in advance as described above.

If the Princess wishes to plan her own fundraiser to benefit a local cause or a charity of her choosing, the fundraising plan must be approved at least two weeks before the planned event. The Organization has the discretion to allow, deny, or condition any event. In addition, 10% of all proceeds raised at the event must be donated to the Organization's scholarship fund.

In no event may the Princess or her Guardian use or allow anyone else to use the Princess' title to raise money for the Princess or family, even for the purpose of participating in the Miss Empire Stars Program.

Miss Empire Stars Program

In addition to participating in our Princess Program, the Princess must participate in the Miss New York Organization's Princess Program, "Miss Empire Stars" or similar. This will require a registration fee of \$250, travel to the Miss New York Competition, stay and related expenses (two to three nights in Peekskill, NY), and the purchase of admission tickets for the Miss New York Competition for any family and friends traveling with the Princess.

In addition, the Princess and her family are responsible for all transportation to and from the state competition, lodging and related expenses, and supervision of the Princess during the competitions.

Be aware that the Organization may welcome or encourage other local girls to participate in the Miss New York Organizations' Princess Program. These girls will be "Star Princesses" in the state program but will not be local title holders in our Organization.

Participation in Other Programs

The Princess title is a year-long commitment, and the Organization hopes that the Princess will serve her entire year. The Organization, understands, however, that the Princess may be interested in participating in other pageant programs. The Princess may participate in other programs, but the Guardian must notify the Organization of the planned participation at least one week in advance. If the Princess wins or is appointed as another title, she automatically and immediately relinquishes her title in the Organization. The Organization then has the right to appoint another girl to serve for the remainder of the year.

Violations of this Agreement

If the Princess or her Guardian violates any term of this Agreement, the Organization, in its sole discretion, may revoke the Princess' title and the Organization may appoint another girl to serve for the remainder of the year.
